SIR,

Subject: Estimate for Rs.18,000/- for flooring the platform No.6,

With reference to your letter No.L.3316/I.T.B.14-55-85 dated 17-5-1956 enquiring to furnish the remarks of this office in the matter of levying the establishment, tools and plant charges from the Regulated Market Committee authorities on the works executed by the Board on behalf of the R.M.C, I write to state as follows:-

The Board has undertaken the works of the Regulated Committee Mysore, on a deposit contribution basis since 1951 and has so far executed works to the extent of Rs.1,40,000/- Government in their ^x Order No.L.1852-56/I.T.B.15-52-6 dated 12-5-1952 have exempted the Trust Board from levying this supervision charges and in pursuance thereof, there was no such levy on the works so far executed by the Board.

The observations contained in the letter under reply were discussed by the Board and it was resolved that suitable reply may be sent to Government in the matter. No such distinction has been made between establishment, tools and plant charges and supervision charges, as it is surmised that Government intended exemption from payment of any kind of charges by the Regulated Market Committee.
